Join me to hand stitch a 'flying accorn' for
Louise Gardiner's Creative Courage Campaign.

Get together and be part of Lou's Accorn Army
proving that community and connection are a
priority for us all.

I am organising this stitch-off to gather, talk and
create together. Please bring an embroidery hoop,
fabrics and your accorn template of choice.

Find a materials list, template and instructions on
my website blog. Or scan here with your phone
